FROM THE COMMITTEE

President's Message

Hello and welcome to the 2019 March/ April issue of The Chrysler Collector. We now have a few runs behind us and the whole year ahead is looking impressive for those wanting to participate in car events.

The Ray Miels Memorial Breakfast Run [AKA. The Presidents Breakfast Run] was not as well attended as was on paper. The 33 members and visitors that attended, had a beautiful cooked breakfast, thanks to the Summerton Netball Club Ladies. All who attended said that it was well worth it. Beats taking cooking supplies and BBQ to cook in the heat.

In February, our next run was another Breakfast run to the Henley Beach Surf Life Saving Club, thoroughly enjoyed by all who attended. Great location and great social event. After we then attended the All-American day at Tilley reserve at Surrey Downs. Great collection of American Cars from wooden wheelers, thru the Chrome years, to the modern Mustangs and Dodges.

All Chrysler Day. Although a very warm day forecast, we found that when we arrived, we were allocated a spot tucked in behind Harts Mill, with shade all day to sit in. With the view of trees, the old Troubridge loading ramp and new buildings across the river, and a cool breeze blowing in across the parking area from the river, we found ourselves very comfortable and within easy walking distance to other areas, so plenty to see, lots of cars of different vintages, an enjoyable social day.

This is the year of another Tri-State National Tour, that we have the pleasure of hosting in the beautiful McLaren Vale. This is not just our Tour it's your Tour also. It is about your club presenting South Australia at its best. Runs have been organised and a lot of hard background work is in progress. Hope you can come along.

Carolyn Harris.

PAST EVENTS

Ray Miels Memorial President's Breakfast Run

20 January 2019

Dawn, Deidre, Paul and Jeff were invited by the President of the Chrysler Restorers Club, Carolyn Harris, to their breakfast run on Sunday 20 January at Uraidla. This is traditionally their President's mystery run but in looking for new ideas member Kevin Williams suggested an MRSA style breakfast run.

The idea was picked up by Carolyn and with help from Tanya of the Summertown Netball Club, organised the event with nearly 50 indicating that they would be attending.

Held in the Uraidla Football Club, we were greeted by a selection of fruit juices, cereals, fruit pieces, muesli, milk and sugar. As we finished, the young ladies removed our plates and replaced them with a full cooked meal of sausages, bacon, egg, hash brown and tomato. On the tables was a supply of white and brown toast with spreads to match. Tea and coffee was available from a side table.

A raffle was conducted with the MRSA doing very well. (We may not get invited again!)

It was great to have a look around some of the my old firm's products. Chrysler Royal, Dodge Phoenix, Valiant and Plymouth. We did make a good vehicle.

Carolyn would like to talk with the MRSA about a combined club breakfast as they felt it was a good thing. A mutual date that allows the use of the football club rooms would need to be sorted and in discussion I found out that the netball club can handle in excess of 100 people so it is quite possible,

Escape the Heat Breakfast Run

17 February 2019

An early start under cloudy conditions, but a pleasant morning in relation to the temperature.

We departed the club rooms at 8.15am for a short run to the West Beach Surf Life Saving club, for our February breakfast run.

With about 20 cars in tow, we travelled along Anzac highway to Glenelg and then along Military Road. On arrival the car parking was a little bit of a challenge but we all found a spot.

We were all seated in the outside area overlooking the water and beach. Breakfast was ordered and it did not take long for all of us to be served. The Life Saving Club did an amazing job.

Thank you to all those members who attended – around 50 in total. I hope you all enjoyed the morning as much as we did.

Trevor Beythien has gone magazines and selected articles through back issues of our worthy of repeating. Thank you

Richard Tapp

(compiled by Norma Schopp)

The story of Chrysler Restorers' Club of Australia (S.A.) Inc., begins in 1979, when a few motoring enthusiasts (principally Ron McNair, Brian Ludlam and Denis Goodman, who all owned Chrysler vehicles) thought it would be a good idea to form a club. Several South Australians were already members of the N.S.W. club which was formed in 1973.

They held three informal gatherings and deemed there was enough public interest to warrant seeking the approval of the New South Wales Chrysler Restorers' Club to form a group in South Australia.

We first heard about it at the Northern Automotive Restoration Club's inaugural rally at Clare in October 1979, where we met Brian Pocock, a Chrysler owner, who told us that moves were afoot to start a Chrysler Club in S.A.

At a N.A.R.C. meeting, which just happened to be held in our shed, a notice was read out informing members that a meeting was planned for **February 19th 1980** in the Cafeteria of the Chrysler plant at Tonsley Park; the purpose of the meeting was to form a club and elect a committee. It sounded interesting and Roy and I were among the 32 people who attended that meeting. A committee was elected and it was determined that member meetings would be held bi-monthly, with committee meetings in between, and that a bi-monthly newsletter would be published for members.

Meetings were held in the CMV clubrooms, Franklin Street, Adelaide, and by the time of the inaugural club run on July 13th 1980, to Mallala, there were 86 financial members who were declared the club's foundation

members.

This first club run was organised by Denis Clifton and attracted 15 vintage, classic and modern Chrysler vehicles.

From the very beginning, Chrysler SA was a family club, with the women and children encouraged to get involved.

The following is a summary of the club's history since its formation.

1981 began with the first President's Run (to Hazelwood Park reserve) and the first club trophy, which was presented to Roy & Norma Schopp, whose 1927 Dodge (then still a buckboard) was the oldest vehicle on the run.

General meetings were now being held every month, and the newsletter was also a monthly publication. Other firsts were the club dinner and the Christmas picnic, all of these events becoming annual fixtures on the calendar.

The club also adopted its Constitution, and applied for Federation membership.

And, while all this was happening, the last Chrysler came off the production line at Tonsley Park (28/8/1981).

1982 saw a "new look" newsletter when Roy & Norma Schopp volunteered to take over as Editors – publication reverted to bi-monthly, increased in size immediately, and included pages for the women and children. This was the start of the club magazine we know today, the standard of which became the envy of some other clubs.

Seven vehicles attended a rally with the Victorian club at

Photos from 25th Anniversary Event

FROM THE ARCHIVES

A Club History - The First Thirty Years (ctd)

Horsham – our first taste of interstate rallying.

1983 brought sadness with the passing of Ron McNair, one of our founding members, but his memory was perpetuated with the decision of the Committee to establish the Ron McNair Memorial Trophy. This became the catalyst for the introduction of all our annual awards. Club incorporation was also finalised in this year.

1984 - the AGM tradition of “standing room only” began (it’s still that way today!!). Club plates for our cars were introduced, with the allocation of the first 14 plates done by ballot. We held our first campout weekend at Geralka, attended by 49 people; and a competition was held to design a wine label for our 5th anniversary rally.

The cost of vintage car permits rose to \$4.00, an increase of \$1 !!

1985 – our 5th anniversary rally was held at Hazelmere Estate, McLaren Vale, with 47 entries including several from Victoria. By now we had outgrown our meeting place at CMV, so we moved twice (in April to the Postal Institute rooms on West Terrace and then, in August, to the Gilles Street Primary School).

1986 – the President’s run became a “breakfast run”; the club established a parts shed at Mt. Barker; and interstate meetings began with NSW and VIC.

1987 – the country member “status” changed to “50 kms from the Adelaide GPO” – it used to be 100 kms.

1988 – the Triple C clubrooms at Glandore were finally opened and we moved into what has become our permanent home. Several members took part in the Castrol Bicentennial Rally to Canberra, and our first country pub lunch was held at Stockwell – this is now also an annual event.

1989 – our first “national” effort - 12 vehicles (and 24 people) attended the 5th National Chrysler Rally at Lake Hume, NSW. Here we made the “big sell” to get the next national rally in SA (and we won).

1990 – our first BIG trip – 13 club cars travelled to Alice Springs, via Ayers Rock, to gain the Overlander Badge awarded by the Alice Springs car club. This was a history-making trip for Richard & Judy Hart who were the first people, from any club, to gain all three categories of the award (veteran, vintage and classic) in the one trip.

Our 10th Anniversary was celebrated at Mallala (65 vehicles on display and 200 people attended).

The first Life Membership was awarded to Norma Schopp. Planning began for the 1992 national rally in SA.

1991 – the club’s parts shed was relocated to Balaklava; we printed our first Restoration Service Directory; and information boards were introduced for club vehicles on

display.

Hart’s 1929 De Soto and 1930s caravan were featured at the SA Caravan & Camping Show, and an article appeared in the magazine about old-style “teardrop” caravans, with the Editor’s speculation of a convoy of vintage and classic cars and vans at a campout or rally in the future!! It took a few years but it is now a reality.

1992 saw the introduction of historic registration in SA. Cataloguing of the club library was finally completed.

SA hosted the 6th National Chrysler Rally, in the Barossa Valley – a record number of 175 rally entries, and 217 vehicles on display day.

1993 – a large group of our members joined in the FIVA World Rally in Tasmania; the club’s tool “loan” service was established; and several club cars were featured in the TV mini series, “The Battlers.”

1994 – a group of club vehicles undertook a trip to Darwin and were the first to be awarded our club touring badges for their efforts. Norma stepped down after 11½ years as Editor and was replaced by a committee and a professional printer! The parts shed project folded. We celebrated 80 years of Dodge.

1995 – Twenty seven vehicles attended the club’s 15th anniversary which was celebrated at Wirrina.

The first of several gatherings with the TJ Richards family (SA makers of car bodies for many of our vehicles).

A group of 28 Club vehicles from SA attended the 7th National Chrysler Rally at Bendigo.

1996 – SA Chrysler had its first official display at the Adelaide International Motor Show.

Fourteen vehicles took part in the Nullarbor Whale Watch and West Coast Wander.

1997 – We finally got SA Chrysler club jackets.

1998 – Historic vehicle registration was streamlined with the introduction of log books.

Thirty five vehicles attended the 8th National Chrysler Rally in Wollongong, NSW.
