John has visited this business

previously with another group and with provide a more detailed write up in the next magazine. More Information

*John Goddard  
0435 107 854*

### 2022 National Rally

The Chrysler Restorers Club of Australia, Victoria Inc has begun planning for the 2022 National Chrysler Rally to be held in Wangaratta in 2022 (Sept 25th to 1st October).

Despite the disruption caused by the Covid-19 lockdowns a sub-committee has been formed to begin the planning of the rally, and although it is early days still, we are hoping that we can keep on track to deliver a spectacular rally centred in the old bushranger territories around Wangaratta in North Central Victoria.

We will provide updates when appropriate, but the next significant milestone is the release of entry forms in late 2021.

Stay safe - we would love to see you all at what is sure to be another memorable event organised by the state that does things better! (lockdowns, curfews, hotel quarantine, covid-19 controls, and AFL Grand Finals excepted)

*Mark Fenton  
Secretary  
Chrysler Restorers Club of Australia (Vic) Inc*

## FROM THE COMMITTEE

### President's Message

Welcome to the January/February 2021 Chrysler Collector Magazine.

I hope all our members are well and hope you all had a merry Christmas and a happy new year.

We are certainly hoping for a better 2021 than the year which has just passed. 2020 saw our club probably have its most challenging year since inception due to the Covid19 virus which saw the CCC clubrooms locked down and many events cancelled including our own and many other events.

However, the year 2020 started on a positive note with the President's Breakfast run being held in the January to the Fullarton Community Centre with a really good turnout with about 20-25 cars. Our February 12<sup>th</sup> general meeting was to be our last general meeting until November 2020. At our February meeting we were lucky enough to celebrate our club's 40<sup>th</sup> Anniversary with a sausage sizzle with our chefs Bruce Braggs and Ian Myers cooking up around 200 sausages and 6Kg of onions. We had an attendance of around 77 members and this included Norma and Ray Schopp, Judy McNair and Steve Lovell who were founding members. We had a celebration cake which was cut by Norma and Judy. This was to be the beginning of a year of celebrations with a car display organised for May, which had to be cancelled due to Covid19. Our February FishNChip run the next week of February was a lovely run to Moana, although a little chilly we had a good number attend and a good night was had by all, this however was our last run until October 2020. All meetings were cancelled at CCC clubrooms until further notice. All through the year the Covid19 stage plans have seesawed between 0-40 people. At the time of going to print the clubrooms can have a maximum of 40 people, however this could change at any time.

Our club's registration and membership renewal was done exclusively via post due to Covid19. Our club's thanks go to Chris Bennett our HVR representative and Sharon Gibb our Records Co-Ordinator for their outstanding efforts to make this event seamlessly come together. This was a major task which took a lot of time and effort.

From February to October 2020, we kept in touch with members through Facebook posts and our Magazine the Chrysler Collector. A couple of committee meetings were organised during this time. They were held at Brenton and Sharon Gibb's home in their outdoor entertaining area to accommodate the rules of Covid19. At these meetings we coordinated what our club would look like in the coming months. Norma Schopp contacted Ann to discuss the use of the Urlwin Agricultural Museum in Balaklava to assist us in performing some of the events which we wanted to achieve in 2020 as they were able to host a large number of people in the outside area of the museum. This included our AGM, general meeting, our display day for our 40<sup>th</sup> Anniversary and our Presentation event. It was decided by the committee to make this a free event for our members with a BBQ lunch and access to the museum. This event was planned with much trepidation due to the Covid19 pandemic. We were never sure whether our plans would actually make it to fruition.

Before our event in November, we held a run on the 11<sup>th</sup> October to the Gilbert Motors car museum in Strathalbyn and a BYO picnic lunch by the river. We had a good number in attendance. Our big event was held on the 15<sup>th</sup> of November 2020 at the Urlwin Agricultural Museum in Balaklava with an attendance of between 120-140 of our club members, great job club members!! A great deal of planning went into the day, the organizing of the BBQ, the co-ordination of the car display and time management of the meetings. A big thankyou to Norma Schopp and her museum committee and Brenton Gibb for his work in organizing the display before and during the day and also a big thank you to the rest of the committee members who worked behind the scenes to make this event such a success. Unfortunately, the weather did not help us in the regard to the hot conditions and extreme winds which sadly forced us to pack up the event earlier than anticipated, but we did get the important things done before this occurred.

The day started with a welcome from Norma Schopp and the Wakefield Regional Mayor Rodney Reid. Kevin Williams did a splendid job with the AGM with all committee members staying on committee with Brenton Gibb elected to Vice President. A general meeting followed the AGM with Jim Dawson – National Tour Director and treasurer of the National Tour Michael Bartsch, handing a replica cheque to the Chrysler Restorers Club advising a profit of \$5693.08 which I proposed a motion to keep this money in a separate account for use in future National Tours which was passed by members unanimously. Following the general meeting the presentation of awards was carried out with Jim Dawson named the Ron McNair Club Person of 2019/20, Presidents Award to Bruce Bragg and Geoff Chase, Life Members – Lorraine and Trevor Beythien and Jim Dawson, Alan Toul Award – Michael Bartsch and Disaster Award – Jeff Knowles. Well done to all these members who won awards.

On behalf of the club I thanked Norma for her assistance in making this event happen and presented the museum with a cheque for \$500.00. With the formalities completed we moved onto the BBQ and some social distancing get together, until unfortunately the weather turned.

December saw us back at the Parafield Gardens Community Club for our Christmas lunch with about 47 club members attending. Our cars were displayed on the lawn and a good day was had by all.

I hope you are reading this magazine message at the Ray Miels President's breakfast run. This event location is so secret I don't even know where it is. Vince Isola has taken it into his care to organize, as apparently, I can't keep a secret.

Don't forget to check the magazine for coming events in 2021, stay safe and keep motoring.

PS don't forget the 2021 club calendar, see Bob Haywood \$15.00 each.

Regards

*Greg Lind*

# CLUB NOTES

## 2021 Club Calendar

Bob Haywood has based next year's calendar on our Chrysler Australia Photo Archive. Brilliant idea and executed very well as always.

Here it looks as if all the photos are black and

white, but actually half are colour.

Contact Bob (0407 601 803) to arrange your copy \$15 + delivery if required.

## PAST EVENTS

### Minutes of the Meetings held 15th November 2020

ANNUAL GENERAL MEETING OF THE CHRYSLER RESTORERS CLUB SA, INC

Sunday 15<sup>th</sup> November 2020, held at Urlwin Park Agricultural Museum in Balaklava SA.

Meeting opened by the President, Greg Lind at 11.00am

Greg Lind welcomed members to the 2020 AGM of the Chrysler Restorers Club of Aust, SA Inc, our General Meeting, presentation awards and 40<sup>th</sup> Anniversary display which is being conducted at the Urlwin Park Agricultural Museum, Balaklava. Greg thanked Norma and Roy Schopp and the Balaklava Agricultural museum for the use of their premises to hold this event. Greg advised meeting we are holding the meeting under Covid19 regulations and social distancing must be adhered to. Covid marshals are in attendance to supervisor.

Greg advised meeting after completion of our formalities a BBQ lunch will be served by members of the museum's volunteers. Please follow instruction from Norma Schopp when lunch is declared. Following lunch our members will be able to visit the displays in the museum and our car display areas. There is no cost to members for BBQ lunch or entry to museum. Tea, coffee and soft drinks will be available for a small cost.

#### Apologies

Dick and Judy Hart, Sandy and Alan Martin, Terry and Dylis Jones

Minutes of the 2019 AGM were read by A Lind, moved by A Lind to be accepted, seconded Kevin Williams, carried

**Presidents Report:** Greg Lind gave an overview of the year, starting with his election in 2019 as president and the National Tour in Sept 2019, which was a very successful event, our Christmas lunch at the Parafield Gardens Club including a car display, president's breakfast run in January to a location in Fullarton and our February evening run to Moana. Our March general meeting in 2020 was our last meeting until today 15<sup>th</sup> November 2020 due to the Covid19 pandemic. It has been a challenging year as the club had to change how we did club registrations and keeping our members up to date with what was happening with the club. I would like to thank our HVR Chris Bennett and our Records and membership coordinator Sharon Gibb for their efforts in completing our club registration with outstanding results. We were unable to hold a presentation lunch and acknowledge our award winners, so this will happen today. I thank our members for their support and hopefully we can get back to some normality.

**Secretary's Report:** I would like to thank all committee members for their help and support over the past 16 months. Everyone on the committee does a great job in supporting and creating ideas and events for our club and this year has been totally different in our approach due to Covid19. Our committee has been involved in future planning and communication to our members.

**Treasurer's Report:** Alan Driver presented our financial report to members. A Driver moved report to be corrected, subject to audit, seconded Barbara Williams, carried.

As per copy of report attached.

Alan Driver advised meeting the books will be handed to Michael Bartsch for auditing purposes in the near future.

Greg Lind as President declared all positions vacant for the purpose of the election of office bearers and called on Kevin Williams to conduct the election for 20/21.

**President:** Greg Lind (second year of tenure)

**Annual General meeting closed 11.25am**

**General Meeting commenced at 11.25am**

Greg Lind welcomed members to a quick general meeting to update our members regarding future runs and our position on general meetings moving forward.

**Minutes Previous Meeting**

Read and moved by A Lind seconded, Garry Williams, carried

**Correspondence –**

**In**

Email - CCC – re Covid19 Safe Plan Step 3 – we can now have 40 members in the club meeting room, still not enough for a general meeting, Mugford room closed, library closed, kitchen closed no shared food. One entry point and one exit point both require Covid marshals to be in place. Hopefully in the new year we will be able to have less restrictions and be able to move forward with our general meetings.

Email – Chrysler Restorers Club of Aust, Vic advising of their AGM on 16/10/20 and election of committee members. Also advised planning has begun for the 2022 National Rally to be held in Wangaratta Sept 25- 1<sup>st</sup> Oct. Updates will be provided when appropriate but the next significant milestone is the release of entry forms in late 2021.

Email – CCC committee meeting 12/10/20

Letter – FHMC re general meeting held 10/10/20, including guidelines for the application for a Grant. (details will in next magazine)

## PAST EVENTS

### Minutes of the Meetings held 15th November 2020 (ctd)

Letter – FHMC re AGM held 10/10/20

#### **Out**

Various emails to CCC regarding Covid19 details for CCC club rooms.

Emails to FHMC as required.

#### **Treasurer's Report –**

No changes from details advised at AGM

#### **Committee Reports**

##### **Brenton Gibb – Runs Coordinator**

Information regarding upcoming runs –

Dec 13<sup>th</sup> – 2020 Christmas Lunch

Jan 17<sup>th</sup> – 2021 Ray Miels President's Breakfast run.

Feb 14<sup>th</sup> – 2021 Valentine's Day Breakfast run.

##### **Editor – Richard Tapp**

##### **Public Relations – John Goddard**

Greg Lind advised meeting John had brought various club apparel to the event, asked members to check it out.

##### **Records – Sharon Gibb**

Nothing to report

##### **Librarian –**

##### **Tech Rep – C Howes**

##### **HVR – Chris Bennett**

Chris thanked members for their support over the registration period and requested members to please make sure they have signed their log books at the front of book every time they take their car out.

##### **Triple C – Vince Isola**

##### **Federation Rep – A Driver**

##### **Past Events**

Greg Lind spoke briefly on the clubs last run to Strathalbyn Motor Museum in October. Good numbers attended and a picnic lunch by the river.

##### **General Business**

Greg Lind called up the director of our National Tour – Jim Dawson and National Tour treasurer Michael Bartsch to advise our members on the financial details for the National Tour. Jim Dawson and Michael Bartsch presented Greg Lind with a notification board of the amount of surplus from the National Tour \$5,693.08.

During the National Tour a meeting was held involving ourselves and Victoria and NSW. It was decided that the money which has been traditional handed onto the next tour (rally) would not happen after 2019. All parties were happy to split the money between the states and all states agreed that if help was needed by the rally organizer the other states would help out.

Therefore Greg Lind (I) propose that the money generated from the National Tour be placed into a separate bank account to be held for future National Tours in SA and also to be used for our sister clubs in Victoria and NSW if the need arises, this was seconded by Garry Williams and carried by members in attendance.

General Meeting closed 11.50am

#### **PRESENTATION OF AWARDS**

**DISASTER AWARD** – On the 2019 President's breakfast run a certain member broke down on Main North Road, problem with the coil which required a tow truck ride home. While working on this problem at a later date cut his head and ended up in hospital. **Jeff Knowles**

**ALAN TOULL AWARD** - This gentleman is a quiet achiever

hovering in the background and certainly the commitment to his job as our National Tour treasurer has earned him this recognition as the Alan Toull recipient. **Michael Bartsch**

**PRESIDENT'S AWARD** - National Tour Display. The president's award goes to two gentlemen who organised and implemented the displays for the National Tour. I am talking about Geoff Chase whose outstanding collection of Chrysler memorabilia was on display at the National Tour. Cars, engines and so much more. The second person who organised the displays in our dining room is Bruce Bragg who organised trailers and the like to move all these displays into place from various parts in Adelaide to McLaren Vale. A great effort and well deserved winners of this award. **Geoff Chase & Bruce Bragg**

Heather Bennett also presented **Cynthia Chase** with an arrangement of flowers for her work towards the 2019 National Tour display.

#### **LIFE MEMBER AWARDS**

This year we have three recipients, and I feel very honoured as president to be able to hand these life members awards out.

The first two recipients have been members since 1999 and have served on our committee, organised club runs and camp outs, contributed substantially to our magazine articles and organised our successful 2010 National Tour. They are of course

##### **Lorraine and Trevor Beythien**

Our third life member has been involved in our club since 2014 coming straight onto our committee and working tirelessly in his role. Then in 2016 he took on a job that would see him spend every waking moment working towards the (some have said best National Tour ever) with organisation and determination. He and his committee worked towards the very successful 2019 National Tour. I must say he personally knocked on a lot of doors and managed to secure a very lucrative sponsorship deal with both Serafino Wines and the Onkaparinga council. The person I am referring to is

##### **Jim Dawson**

##### **RON MCNAIR AWARD**

Chris Howes spoke about the Ron McNair award and the meaning of this award to the club. Together with Judy McNair and her sons Paul and Steve the winner of this award was announced. The winner of club person of the year goes to

##### **Jim Dawson**

Greg Lind presented **Judy McNair** with an arrangement of flowers

Greg congratulated all award winners

Greg Lind requested **Norma Schopp** to come out the front - He thanked Norma and her volunteers for their work today and presented a cheque for \$500 to the museum as a donation from The Chrysler Restorers Club of Aust, SA Inc. The club hopes the museum will be able to put this toward future purchases or upgrades.

Greg presented Norma with an arrangement of flowers.

Greg Lind thanked **Heather Bennett** for her arrangements of flowers.

As is traditional, Kevin Williams told a joke in memory of Ron Hincks.

Before we close our formal part of the day, I would like to request that all past and present presidents who are here today to make themselves available for a photo to mark this event.

Norma will advise you how to make your way to the BBQ area, please enjoy your lunch and time in the museum and wandering through the car display. This is a wonderful chance for us to catch up with friends we have not seen in a long time. Enjoy

Award presentation closed at 12.30pm

## PAST EVENTS

### Christmas Luncheon

**Sunday 13th December 2020**

We had lunch at Parafield Gardens Community Club again this year. There was a run from Glandore although members from the north were welcome to go there direct.

Club cars were displayed on the lawns in front of the building as per last year, although this year we had competition for parking space from cars with blue ovals.

I have carefully selected photos that don't show any these, even in the background. Actually, that was pure fortuitous coincidence.

*Richard Tapp*

## DISASTER AWARD APPLICATION

### Gary's Chrysler Royal

*Your negligent editor overlooked this article when submitted. Allegations that I was bribed to conceal this confession until after the 2020 Disaster Award was determined are completely scurrilous and without merit. Ed.*

On the 20th April 2020, my brother went out to the shed to get something out of the old freezer where he stores "stuff", his car is parked in front of it so you can't get into it unless you move the car. He only opened the sliding shed half way.

So he needed to start the car up to move it back enough so with the driver's door open he sat in the car to start her up. She stalled twice and then she started so he put it into reverse and went to go back but she stalled, so he thought well this time you will start you "b\*\*ch" so with foot flat to the floor she started, it should have not started in reverse, but it did.

I was inside and heard this almighty bang, I ran outside to see him sat in the car and the sliding shed door was wide open out. Gary was white as a ghost and said "why am I out here?" there were workmen across the road and they came running over to help. The Royal's driver door was

pushed right back to the front guard. It took two of these "strong handsome men" to push it back so it would kind of shut. Our neighbour came over to help close the shed doors and tie them up so we could at least put the padlock on. Where Gary had come out of the shed you can see the gravel marks where he was trying to brake and there was stones and every where even in the shed. Thank goodness he at least tried to stop otherwise he would have landed into his train room (and that would have been a car on a train track).

I rang Shannons Insurance to report the accident.

The next day Graham Edward's Crash from Murray Bridge came and loaded the Royal onto the back of the truck (that's a first for her).

Thank goodness for insurance. Shannons gave the go ahead to get her repaired at a cost of \$15,500. The Royal had quite a lot of scratches and dents but it is amazing how the rear tail lights did not get damaged. The bumper bars were sent away to be rechromed as they were damaged and the drivers door was replaced. Gary had two doors here so they used one of them and a hinge had to be sourced as it had bent the original hinge out. The car door has to have inner moulding and the door arm rest was hanging so that needed to be replaced. The whole car is going to be repainted as close to her original colour and all Gary is paying \$400 for the roof to be repainted as that wasn't touched.

#### The Shed Doors

The next week my son came around to borrow my car, which is still in the shed I wasn't able to open the doors. There are three sliding shed doors, Gary not only damaged his door to the shed but it took out the other doors either side. So my son Michael helped push the door so I could get my car out (and she had been living under the carport since April).

We got the quote for the doors, which was for three new doors and the top track, and that came to \$4,961. The insurance company was only going to pay for one door, they said that how can one car do that much damage! I rang the insurance company and explained that it is a two tonne car and not a Mini Minor, I had sent pictures showing the damage to the doors. He put me on hold for about 5 to 10 minutes while he spoke to his supervisor. When he came back he

## DISASTER AWARD APPLICATION

### Gary's Chrysler Royal (ctd)

said they were going to pay for the three doors and track. He then said would you like a cheque or put into your bank account, I said put it into the bank account. At least that way they don't have time to change their minds.

As of writing this the car is still at Graham Edwards Crash Repairs and the Shed doors are still hanging waiting to be replaced.

The Royal will look very good when she is finished and she will also be supporting new number plates "CR1961"

When the Royal gets back to Meningie she is going in for a complete service and is getting the Reverse button looked at so it cannot start in reverse again.

Gary has missed his car and I can't wait for her to come back so he can get out of my hair and go for daily drives around the town and visit his friends.

*Barbara Hiscock  
Dated 17th August 2020*

*Helena and I saw Gary's repaired car at the Vintage Caravan event at Meningie in early November 2020. It is a credit to Graham Edwards. Ed.*

## FROM THE ARCHIVES

*Trevor Beythien has gone through back issues of our magazines and selected articles worthy of repeating. Thank you Trevor. This is from Jan/Feb 2007, issue 168.*

*Richard Tapp*

### **PLEASE TELL US ABOUT YOURSELF AND YOUR CAR(S):**

Trevor & Lorraine Beythien 1936 - C7 Chrysler Airstream and Vintage Caravan

### **HOW DID YOU FIND OUT ABOUT THE CHRYSLER RESTORERS CLUB?**

Shannons Insurance recommended CRCA as a suitable club for our car.

### **DID YOU KNOW ANYONE IN THE CLUB?**

No, but at the first meeting we attended, we met up with Margaret Winston who had taught our son at Primary School.

### **WHAT YEAR DID YOU JOIN THE CLUB?**

1999 – one month after we retired.

### **WHAT CAME FIRST THE CAR OR THE CLUB?**

The car came first.

### **WHERE AND HOW DID YOU FIND YOUR CAR?**

The car was purchased from Queensland without prior viewing. We picked the car from an add in "Just Cars" magazine and after discussing it's condition with the honourable used car dealer, we paid for it and had it transported to Adelaide.

The first time we saw the car, it was being unloaded at our front gate. In shock? No, it was generally in the condition that we had expected it to be.

### **DID IT NEED RESTORING OR WAS IT ALREADY DONE?**

The car was an older restoration, I believe in 1978. Since we have owned it we have generally tidied it up. Refer restoration story in Magazine #143 Nov/Dec/ 2002.

### **DID ANY MEMBERS HAVE ANY INPUT WITH YOUR RESTORATION? IF SO WHO?**

Dick Hart was a great help with engine, mechanicals and brakes. His knowledge and the manner in which he was prepared to go out of his way to help, was really appreciated. Mike Trengove also assisted with the

painting of mudguards etc.

### **DO YOU HAVE A STORY THAT MAY HAVE WON YOU A DISASTER AWARD? (ANY STUFF UP WILL DO)**

Probably should have got it for blowing a head gasket whilst in Tasmania on the Tattersall's Rally and even more so for doing the rally to Canberra only a few months after purchasing the car and not carrying one spare part. Pretty stupid, hey.

### **DO YOU ENJOY GOING ON CLUB RUNS AND ATTENDING MEETINGS?**

Meetings are meetings, but I do enjoy some of the guest speakers. I guess that doing club runs are my main interest. I also like doing the longer rallies, like PADARC and Mt Gambier etc.

### **WHAT IS YOUR AMBITION IN THE CLUB?**

I do not have committee aspirations but don't mind helping out at club events when required.

### **DO YOU HAVE A STORY THAT NEEDS TO BE TOLD ABOUT A CLUB MEMBER? (DON'T LET THE TRUTH HOLD YOU BACK).**

I attended "Chryslers on the Murray" last year with my 1936 Chrysler, on arriving at the caravan park I found Bob Birmingham staying there in a cabin. This was OK but I thought he was a big sook for taking his new modern car (*Ford*) to an event like this.

### **DO YOU THINK YOU WILL EVER FIND THAT ELUSIVE PART AT A SWAPPY SO YOU WILL NEVER HAVE TO GO AGAIN?**

Swap meets have been good to me for some minor parts. I find eBay are a good source for parts as well. The social side offers a good day out at many of the local swaps.

### **WHAT HAVE BEEN SOME OF THE HIGHLIGHTS OF YOUR**

### **TIME IN THE CLUB?**

Highlights have mainly been through social interaction with other club members and the enjoyment of taking the old car on the more extended rallies.

### **DO YOU ENJOY AND WOULD YOU HAVE ANY SUGGESTIONS FOR CLUB RUNS?**

Yes I do enjoy club runs and together with Lorraine we hope to arrange a club outing early in the New Year. Some more mid-week events could be a good option also.

### **FOR THE LADIES:**

### **WHAT WERE YOUR THOUGHTS WHEN YOUR MAN SAID I WANT AN OLD CAR TO PLAY WITH AND PUT IT WHERE YOU THOUGHT THE PAVING, PERGOLA AND BBQ SHOULD BE?**

I was all for it – the shed was waiting for it and we now had the time, since we had just both retired.

### **HAS HIS EFFORT BEEN WORTH IT?**

Definitely – We have met so many great people because of the car.

### **DO YOU THINK HE WILL EVER FIND THAT LAST PART AT A SWAP MEET OR ON EBAY?**

I don't think so, but it also lets me look for girly bits and pieces too.

## Vintage cars coming to Balaklava

IF you love old vehicles, you'll love the display of around 50 vintage and classic Chrysler vehicles coming to Balaklava this Sunday.

The Chrysler Restorers Club of Australia, SA Inc, is visiting Urlwin Park Museum, and after a meeting and 40-year anniversary presentations, will open to the public at 1 pm.

The museum members are excited to host the club and event, the first major event for the car club since COVID lockdown.

The club was established in 1980 with the first 'run' to Mallala oval, and since then, the club has grown to have an impressive display of vehicles.

The first trophy awarded by the club actually went to club members, Balaklava's Roy and Norma Schopp's 1927 Dodge.

Roy and Norma were foundation members of the club, with Norma receiving the club's first life membership in 1990.

They will have their Dodge (pictured) on display too with the other vehicles on Sunday.

Entry is \$3 per adult and 50c for school-aged children accompanied by an adult.

Refreshments will be available to purchase, so go along and be amazed by these classic vehicles.

Balaklava's Norma and Roy Schopp with their 1927 Dodge which will be on display on Sunday at Urlwin Park Museum.

## Classic Chryslers

ABOVE: A bird's eye view photo by David Tiller of the Balaklava Urlwin Park Museum packed to the brim with Chryslers recently.

AROUND 50 classic and vintage Chrysler vehicles arrived at Balaklava's Urlwin Park Agricultural Museum on Sunday, November 15 creating an impressive display for both locals and visitors alike.

The Chrysler members weren't deterred by the very hot weather and set up chairs in the shade of massed marquees, where they were officially welcomed by museum president, Norma Schopp, and Wakefield Regional Council mayor, Rodney Reid, after which the club's AGM formalities were dispensed with in record time.

It was also the club's 40th anniversary, which was coupled with presentation of club awards.

At the end of the awards, Chrysler Restorers' president, Greg Lind, presented a \$500 cheque to Balaklava Museum president, Norma, to support the museum's projects and improvements.

A barbecue lunch was provided for car club visitors with Balaklava Lions' members firing up the hot-plate in their usual efficient manner, leaving museum volunteers free to host visitors as they wandered through the numerous pavilions, looking at the large array of exhibits.

It was the first visit to Balaklava Museum for quite a few Chrysler members who were impressed with what they saw, while those who had visited in years past appreciated the upgrades and improvements made since their previous visit.

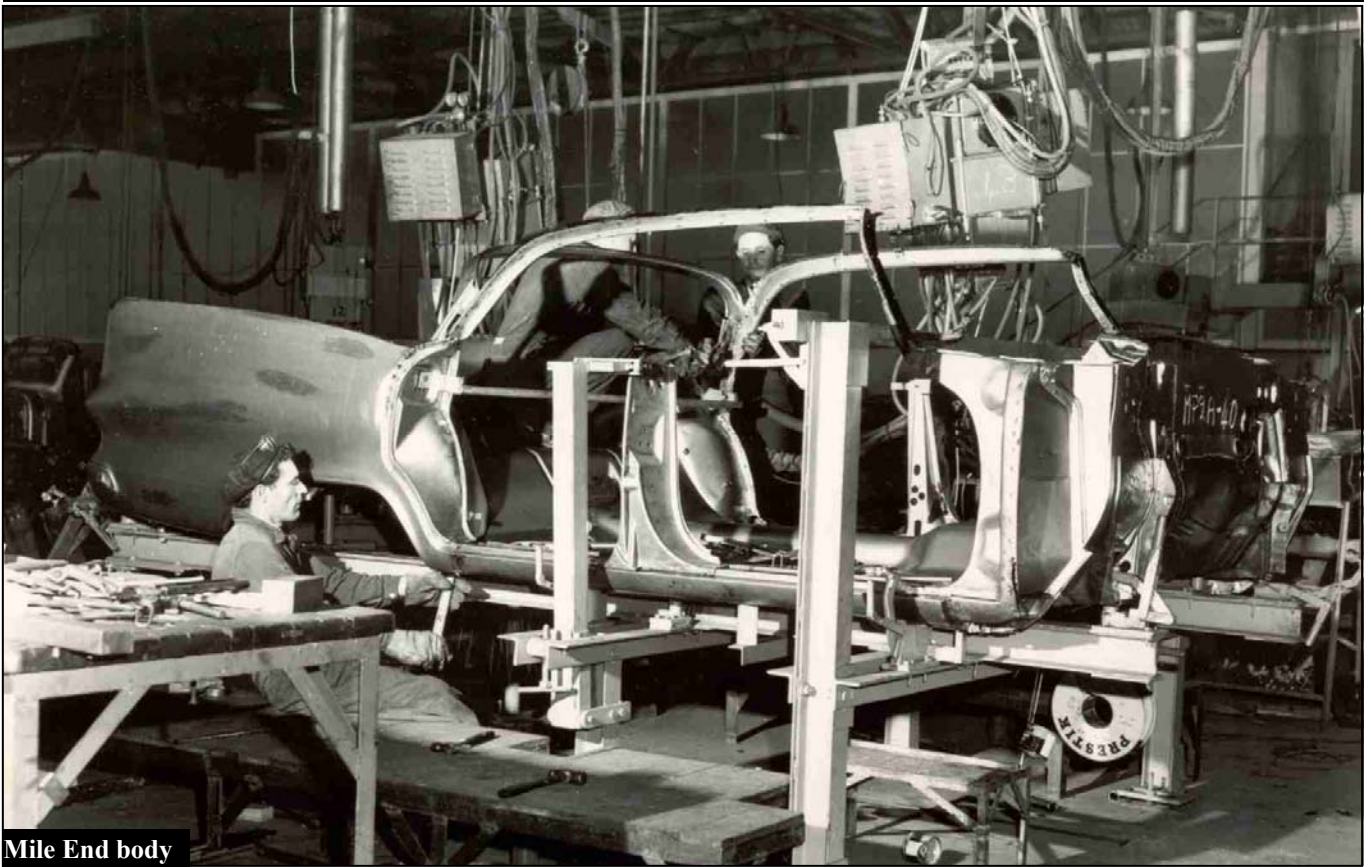

After lunch the car display was opened to the general public and a pleasing number of local residents came, despite the heat.

President Norma Schopp thanked everyone for supporting the day, and said 170 people attended, which was a fantastic turnout.

Chrysler members came from as far away as Whyalla, the Flinders Ranges, Upper South East, Fleurieu Peninsula, Hindmarsh Island, and all points in between, with some choosing to spend a few days in the caravan park.
